

Newsletter

Welcome to Easington Academy's October 2023 Careers Newsletter.

The careers newsletter aims to keep students and their families up-to-date with all the latest information about careers and post-16 opportunities

All students at Easington Academy receive targeted careers education within World Ready Sessions and within the curriculum, focusing on subject specific careers information. In addition, we provide students with a range of opportunities to access up-to-date careers information through workshops, career fairs, external events and from visitors in school.

Our Careers Programme can be accessed here: [Careers information | Easington Academy](#)

Radiology Careers at James Cook Hospital

Year 11 students explored another potential career avenue by visiting James Cook University Hospital where they enjoyed a tour and learnt about the various careers within radiotherapy. Staff kindly shared their stories with our students and discussed the pathways they took throughout their careers. The group left feeling inspired by the diverse choices available to them for when they leave school.

Duke of Edinburgh Award

We had a great time celebrating with students and parents at our Bronze Duke of Edinburgh's Award ceremony. Our DoFE students have worked very hard, and it was lovely to celebrate all of their efforts together - They should be very proud! 🏆 Students learnt new skills, volunteered in many ways as well as undertaking physical activities to complete the required sections as well as the arduous expedition.

Year 9 students can now sign up to the Bronze Duke of Edinburgh Award 2024. Letters have been given to students and emailed to parents/carers.

Find out more:

Parents/Carers Duke of Edinburgh Award Information Evening on Thursday 16th November @ 5.30pm in the auditorium.

Labour Market Information (LMI) Careerometer

Careerometer lets you compare the average wages and working hours of up to three jobs in England. You can also use it to find out the predicted demand for these jobs in the future.

How to use it: Type in the first career that you're interested in and select from the drop-down list, then add your second and third choices to see the comparison.

Check it out here: [Careerometer – LMI For All](#)
